MOTIVATION

CURRENT
Motivation

My passion for aviation combined with meticulous technical skill defines my approach to engine maintenance at Ethiopian Airlines. My background, encompassing a Bachelor of Computer Science (High Distinction) and rigorous training at the Ethiopian Aviation Academy, equips me with a unique blend of

knowledge and analytical thinking. I leverage data and technology to optimize maintenance processes, while adhering to the highest safety standards as evidenced by my unwavering commitment and meticulous attention to detail. My strong communication skills, as demonstrated by my IELTS score of 8, ensure seamless collaboration within the team. I am a dedicated professional, always seeking to contribute to the safe and efficient operation of every flight.

VOLUNTEERING

5 NOV 2021 – CURRENT Addis Ababa, Ethiopian Red Cross Society

Humanitarian Service at Ethiopian Red Cross In Addis Ababa, I volunteered with the Ethiopian Red Cross. Sharing simple meals and clothing brought immediate relief to homeless individuals. For families displaced by war, basic supplies and a listening ear offered a glimmer of hope in their hardship. It was a humbling experience, reminding me of the impact small acts can have
