- Authorization for Engines PW150A, GEnx-1B, CFM 56-7B | Ethiopian Airlines
- Category ECAA powerplant license | 2016 |
- Computer Science Degree | Feb 2023 | Unity University
- CFM56-7B, Engine line and base maintenance training
- GEnx-1B Engine line and base maintenance training
- GE 90-110/115B Engine line and base maintenance training
- PW150A Engine line and base maintenance training

MOTIVATION

CURRENT
Motivation

I have been working as an Aircraft Engine Maintenance Technician at Ethiopian Airlines for almost a decade.

My journey in this field started at the Ethiopian Aviation Academy, where I received Power Plant training course . Upon graduation, I joined the Ethiopian Airlines Engine Shop, where I have had the opportunity to work on various engines including the CFM56-7B, GEnx-1B, pw150, and GE90. Of these, I have gained the most experience and expertise with the CFM56-7B.

In addition to my practical experience, I have also pursued academic excellence. I hold a degree in Computer Science, in which I graduated with high distinction. This accomplishment is a testament to my dedication, discipline, and eagerness to learn.

Moreover, I have demonstrated my proficiency in English by achieving a score of 8 in the IELTS exam last year. This not only enhances my communication skills but also widens my scope of collaboration in this global industry.

What drives me is my passion for learning new technical skills that are constantly evolving in the Aviation industry. I believe that continuous learning is the key to being an effective technician. My ambition is not just to be a better technician, but also to grow as an individual contributing positively to my workplace and society.

I am confident that my blend of experience, professional achievements, and drive for continuous learning makes me a strong candidate for further opportunities in the aviation industry.

LANGUAGE SKILLS

Mother tongue(s): **AMHARIC**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	C1	C1	C1	B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user
